

The Intimus 155

Ideal for the home office or individual users. Compact design full of great features. Lightning fast cuts with the confidence of specially hardened steel cutters and a robust continuous duty motor. New design is user-friendly for ease of placement and use! Fits easily under a desk or table - simply slide out the lightweight base to empty!

Features

- 9 inch working width to handle any business document
- Available in both strip cut and cross cut versions
- Compact — with front loading paper feed allowing convenient under-the-desk placement
- Fully automatic — completely user-friendly
- Separate opening for general waste — eliminating the standard waste basket
- Large waste basket easily emptied by pulling out toward the front
- Continuous duty motor - maintenance free
