The Document Shredder

The safe way:
Decentralization . . .

Paper shredders belong in individual offices and departments. Long distances to the next paper shredder create gaps in data security. Intimus model 452 offers a well-balanced solution for medium capacities, without compromising on security requirements: illegible strips or cross cut particles.

Features

- 16" working width to shred computer print-outs: additional work surface provided by shelf or optional top rack
- Elegant, functionally styled design with a compact folding paper shelf
- Dust-free operation with large catch basket, totally mobile on casters
- Fully automatic operation, user-friendly with visual indicators
- Specially hardened steel cutting cylinders
- Continuous duty motor - maintenance free
