

Intimus 602 High Speed

The Intimus 602 High Speed increases user productivity by 100 percent with its 60 feet per minute output. With this increased speed, it will also cut down on queuing time between multiple users.

Features

- Full 16" working width with a guide strip to ensure accurate continuous feeding
- Elegant, functionally styled design with a compact folding paper shelf
- Dust-free operation with large catch basket, and totally mobile on casters
- Fully automatic operation, user friendly with visual indicators
- Specially hardened steel cutting cylinders
- Continuous duty motor - maintenance free
