

The Intimus Simplex se

The traditional wastebasket is the most dangerous source of information in today's office environment - the "electric wastebasket" guarantees data protection within reach. Quiet, attractive in design and color - it fits in every office.

Features

- Operated by an electronic eye; reverse operation for paper jams
- Specially hardened cutting system - no need to remove staples and paper clips
- Large opening for general office waste - eliminating the traditional wastebasket
- Replaceable plastic bag for quick and clean waste removal
- Continuous duty motor - maintenance free
